

To whom it may concern,

This is to confirm that as of May 2017, Philip Moss has been working with us for over a year as a freelance proofreader.

Phil consistently delivers his work for us to a high quality and often to tight deadlines. He is reliable and flexible and has worked hard for us during the course of our professional relationship. He has a strong knowledge of the English language, fine attention to detail and a keen eye for improving our visual, digital and printed media.

We would highly recommend Phil's services to any potential employer who is considering offering him work.

If you need any further information or require any clarification from me, please do not hesitate to contact me.

With kind regards

Michael
